

Incentives Guidelines & Development Webinar

April 28, 2021, 10 - 11:30 am

Meeting Objectives

- Early Adopter Incentive Guidelines
 - Equity and Inclusion
 - Create a diverse, equitable and inclusive early adoption incentive program. The intent is to fill in the gaps to expand participation and opportunities across a broad range of businesses across the State. We believe that investing in energy efficiency will assist businesses in lowering energy cost, cut carbon emission, and strengthen local communities.
